Good News:

The new hats have arrived. Members who have paid their yearly dues will get a hat at the next meeting that they attend. The hat is pictured at the right (girl not included). In case you have not been informed, the yearly dues are \$25.00. That's pretty cheap for all that we get, including a great Christmas party.

Newsletter Change:

Dick Stucki, our long-time newsletter editor and demonstrator is having some health issues and has asked to step down for a while. Mike Rice has volunteered to fill in for Dick for a while. If you see a lot of errors and changes, blame Mike. Mike uses a Macintosh computer, and is having to start from 'scratch' on the new template.

Swap Meet Proposed:

Since we all accumulate 'stuff' that we no longer need or want, it is proposed that we bring this stuff to the meetings, and see what we can trade. Extra pen blanks, duplicate equipment, tools we no longer need, or that old carbide miners lamp that has been sitting around for years. This is just an idea. Talk to Harold if you are interested.

President's Message:

Hello all,

We had another great Wasatch Penturners Club meeting in June. Actually, we haven't had a bad one yet. You can read more about it in this newsletter. Thanks to Joe Wagner for his very interesting and educational demonstration. Joe will be teaching a woodturning course at Craft Supplies on August 12-13 and another on November 9-11.

We also gave away free Wasatch Penturner hats to those who signed up as members. Tim did a great job with the design and obtaining the hats for us. Thanks, Tim. And thanks to Woodcraft for the free pen blanks.

Our next meeting will be on August 4, probably at Woodcraft at 7:00 pm. We will let you know.

Elections for Club officers were held in June. Check this newsletter and/or the website to see who they are. Dick Stucki, our excellent newsletter editor, had to resign because of health problems. We will miss him greatly. We were very fortunate to get a new editor to replace him. Mike Rice is experienced in this area and we are looking forward to his newsletters. This newsletter is his first one. Go for it, Mike!

Harold Lee, President
